

What can we do for your winery?

## Connect Directly to Consumers

Send in your wine, pay a small fee, and get your wine into our database. WineMatch's **10,000+** consumers will start seeing your wine show up in matches.

## Social Media

When we publish your wine on our site, we push it out to all the social media channels.

## Exposure at Large Wine Events

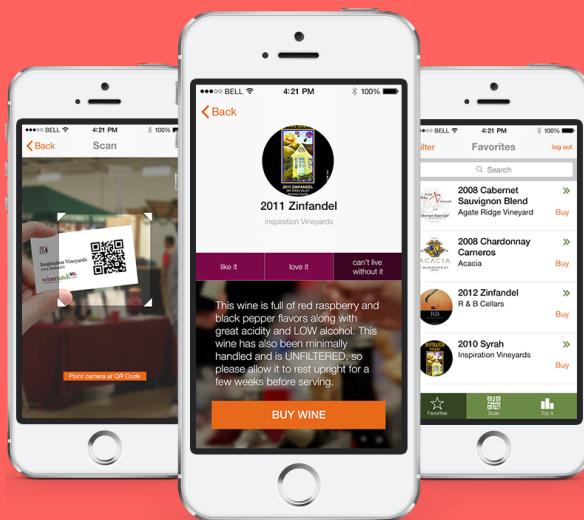

WineMatch partners with these events in California where thousands of serious wine enthusiasts attend.

winematchConnect 

### Event App

Visitors can scan QR cards that will save wine profiles and allow them to buy direct.

### Bonus

See popular wines at event and receive a list of leads to add to your marketing list.

## Search Engine Exposure

Your wine will show up high on Google, Bing, and Yahoo to make it easy for consumers to find your wine.
